

Delete Court Information

Step 1: Search for the Court information as explained in the “Search Court Information” section as mentioned above

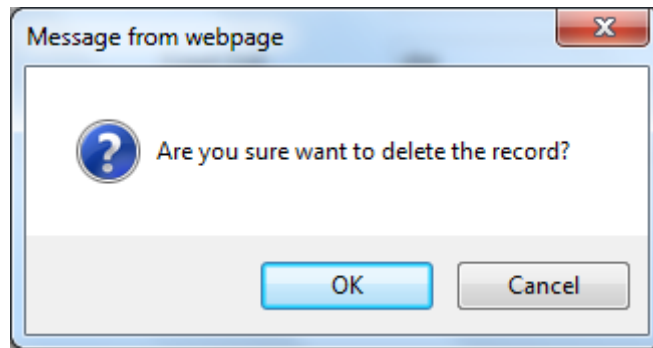

The screenshot shows the 'Standard Court info' page in the Lawyers office management system. The page has a sidebar with navigation links and a main content area. The main content area contains a search form with fields for Court ID, Court Name, Court Type, Court City, Court Dist, Court State, and Court Country. A 'Search' button is located below the form. Below the search form, there is a 'Search Result' section with a table displaying the search results. The table has columns for Court ID, Court Name, Court Type, Court City, Court Dist, Court State, and Court Country. The search results show a single entry for the High Court of Chennai.

Court ID	Court Name	Court Type	Court City	Court Dist	Court State	Court Country
1000	HIGH COURT OF CHENNAI	HIGH COURT	CHENNAI	CHENNAI	TAMILNADU	INDIA

Below the table, there are 'Edit' and 'Delete' buttons.

Step 2: Select the Court you wish to delete and click on DELETE button. The application will prompt the user with the message “Are you sure you want to delete the record?” Click on OK if you wish to delete the data, else click CANCEL.

This screenshot is identical to the one above, showing the 'Standard Court info' page in the Lawyers office management system. The search results table shows a single entry for the High Court of Chennai, and the 'Delete' button is visible below the table.

Step 3: On clicking OK the application will delete the court information from the table as shown below,
