

Delete Book Information

Step 1: Search for the Book Information as explained in the Search Book Information section above,

The screenshot shows the 'Manage Books' section of the 'Lawyers office management system'. The search results table contains one record with the following data:

Book No	Book Title	Rack No	Row No	Author	Co-Author	Subject	Type	
100	Test Book Title	12345	1	Test Book Author		Test Book Subject	Test Book Type	2012

Below the table, there are 'Edit' and 'Delete' buttons. The 'Delete' button is highlighted in orange.

Step 2: Select the Book Information you wish to remove and click on the DELETE button. The application will show a pop up window with the message “Are you sure you want to delete the data?” as shown below. Click on OK if you wish to delete the record, else click CANCEL.

The screenshot shows the 'Manage Books' section of the 'Lawyers office management system'. The search results table is empty, and a message is displayed below it:

No Record has been returned for the above search criteria.
